

History 549S: Histories of Science & Technology

/Global Health 549S

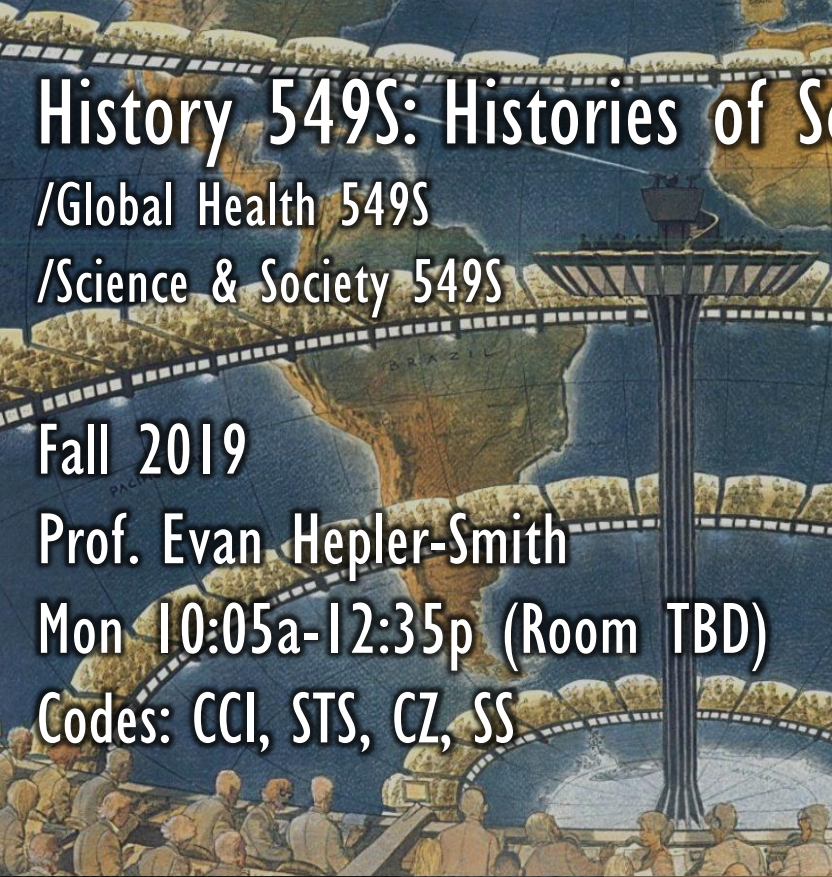

/Science & Society 549S

Fall 2019

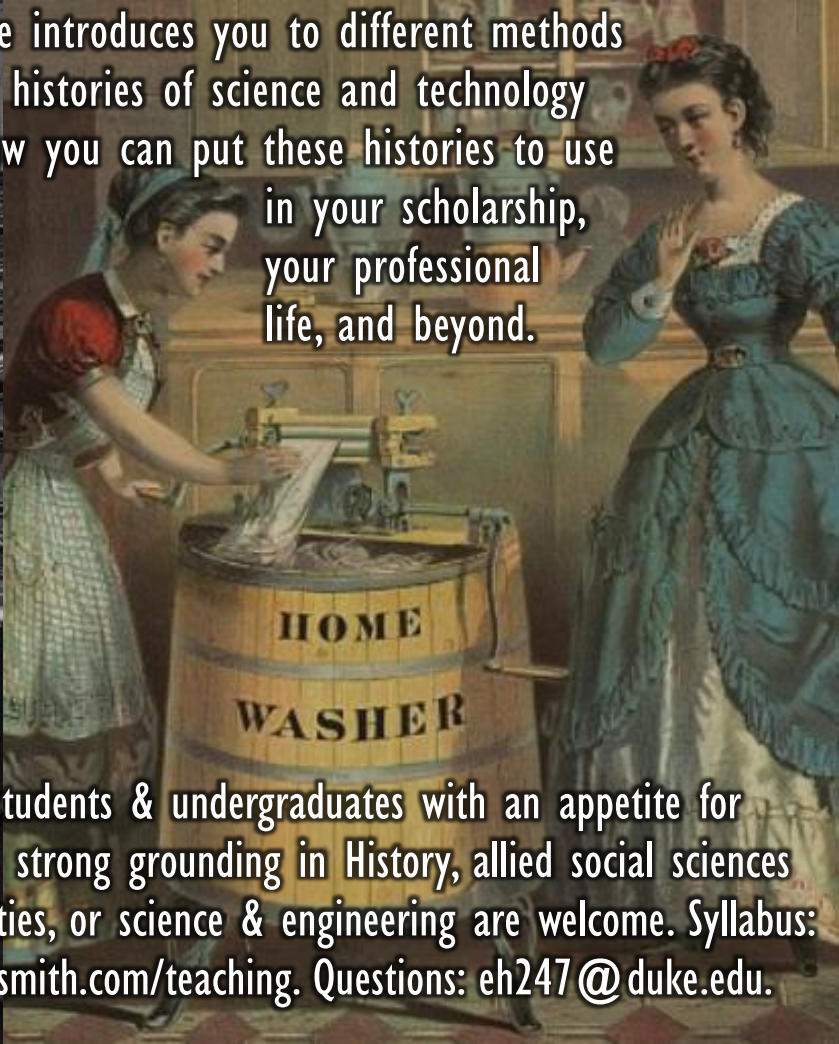

Prof. Evan Hepler-Smith

Mon 10:05a-12:35p (Room TBD)

Codes: CCI, STS, CZ, SS

This course introduces you to different methods for telling histories of science and technology—and how you can put these histories to use in your scholarship, your professional life, and beyond.

Graduate students & undergraduates with an appetite for reading + strong grounding in History, allied social sciences or humanities, or science & engineering are welcome. Syllabus: evanheplersmith.com/teaching. Questions: eh247@duke.edu.
